

INVITATION VIKINGLOPPET

11-12 January
2014 Gothenburg

Hi international skating friends!

Now it's time to register for the "Vikingloppet" 2014 in Gothenburg. The aim of Vikingloppet is to give young skaters a possibility to compare favourably with other young skaters in an international competition. This opportunity will be given in the biggest international competition for youth in Sweden with participants from several of the countries in northern Europe. To compete in keen competition is developing.

Welcome to Gothenburg!

IK WEGA

Important notice about entries for the competition

Vikingloppet is an international competition and is sanctioned by the International Skating Union (ISU). That means that every entry for the competition must go through your national skating union.

Prizes Gold, silver and bronze medals will be given on each distance. The 3 best skaters after 4 distances in each class will be awarded. Commemorative plaquette will be given to every participator.

Number of participators About 20 skaters in each class. If we get too many announcements we reserve the rights to sort out among the participators.
